Mr. Kraly noted Thorntons stored the Village sign and when construction allows will install it. Thorntons started working on their canopy on a Sunday, which is not allowed. Mr. Kraly asked the Trustees whether Thorntons could work inside on a Sunday. Trustee Jamerson believes if the Village has an Ordinance, it should be enforced. Trustee Haber suggested revisiting the Ordinance for commercial properties.

### Village Attorney Report

Mr. Huvard reported the tax levy Ordinance and three SSA abatement Ordinances will be on the next agenda. He has been in touch with SB Friedman and they have done a lot of work on the fiscal impact analysis.

After the Plan Commission hearing, Lexington Homes asked for more time so they can redesign their proposal. They asked whether the Village is still interested in affordable housing and a townhouse development on the site. Trustee Hollander noted the concept of townships some like a reasonable project for that property. If requested by the initial purchaser, Lexington committed to putting elevators in the units. Trustee Hollander does not believe the Village should allow a commodations to the Woodland Ordinance. Trustee Eastmond agrees it is important to seep the Woodlands Ordinance intact, as that is what makes Riverwoods special. He asked if the property could only be used for storm water management. Trustee Jamerson does not believe the Village has the ability to purchase the property for storm water detention and expressed concerned about changing the Woodland Protection Ordinance because other properties could make a similar request. Trustee Jamerson is not against a townhome proposal, but believes it should be looked at on a case-by-case basis. Riverwoods should not be an exclusively single-family home community. Trustee Jamerson is not opposed to affordable housing. Trustee Haber believes Lexington Homes has a good understanding of the residents' opinions.

Mr. Huvard noted when a governmental unit has a social media site, it becomes a public forum and is subject to the local records retection accand FOIA. The Village may want to set ground rules for their social media site. The liability cartiers are getting concerned with governmental units hosting social media sites. The Village way want a adopt a more extensive social media policy.

### Engineer's Report

Ms. Smith noted the Village paths were started. The permits for the water main extension across from Elevate Care should be here toward the end of the week.

Ms. Smith reported all the hydrants have been replaced and the improvements have been completed for this year. The lead service report is due in April. Ms. Smith noted the leak detention program is required for Lake Michigan water.

### Ecologist's Report

Mr. Zimmerman summarized what has been going on this year with the woodlands. He reviewed and approved six developments, provided 38 residential consultations resulting in 43 cost share applications,

reviewed 160 tree removal applications, reported seven woodland violations and reviewed the Tree and Woodlands Ordinance. Mr. Zimmerman explained he now has another ecologist working with him.

Trustee Hollander asked about the landscaping for Deerfield Road after the trees are removed. Mr. Zimmerman will revisit this when the County brings it to the table.

Trustee Jamerson asked Mr. Zimmerman to review the cost-share program requirement that shrub and tree planting has to be done by a landscaper because many residents may want to do the planting themselves.

### Plan Commission Report

Ch. Breitkopf reported the Plan Commission met on November 10, 2022 to continue the hearing on the Lexington Homes project. Most residents that spoke were against making changes to the Woodland Protection Ordinance.

### **ZBA** Report

The ZBA has not met.

### Information Items from L. Presiden.

Status Report on Finance Department Staffing

Mayor Ford held interviews for the vacant finance analyst position and is hopeful to have someone hired in December.

Trustee Hollander asked about the possibility of streaming the meetings. Mayor Ford noted there was a meeting today with a professional group that specializes in putting in live streaming in schools and other organizations.

### Visitors wishing to address the Board

Art Gordon was not aware that Lexington was revamping their proposal. He provided a recap of the message provided by the residents. Mr. Gordon noted they have 500 signed petitions from residents opposed to the development. He demands transparency and wants to know the general direction of the

Trustees moving forward. Trustee Hollander noted the information available to the Board and Plan Commission is also available to residents.

David Oler is disappointed regarding the Zoning changes being considered for the Lexington Corporation. The Trustees are still interested in having townhomes in Riverwoods. Trustee Hollander noted the Village is not interested; rather, will consider. He believes there are places in Riverwoods that are not adjacent to existing residential neighborhoods, that could handle townhouses. Mr. Oler is dismayed the Lexington proposal is being marketed with the claim of providing subsidized units while they are manipulating the process to get more density. He is not happy with what has been built on the gateway to the Village.

Julie Donley explained a brochure from the library highlights the woods and rich, natural environment of Riverwoods. She hopes the Trustees will uphold the standards.

Ruby Gand Seidita explained some of her fellow high school classmates read about a similar affordable housing proposal in Deerfield and it was discussed as a case study. She interest affordable housing is good for the Village and provides diversity. Ms. Gand Seidita noted Riverwoods should consider affordable housing with or without this development.

Mary Oler believes this is a tough decision. She works with people vino live in Section 8 housing every day. Ms. Oler would like to preserve the unique opportunity believe in this beautiful setting and is in favor of inclusive housing. She noted the Shoppes of Piverwoods have not been good neighbors to Meadowlake residents. Ms. Oler believes many of the Trustees want to uphold the Woodlands Ordinance. Ms. Oler noted that without parks, the residents will come into the Meadowlake and have a negative impact on the homeowners and the fragile expertent.

### New Business

a. Approval of Alliant Proposal to Property Casualty Insurance Program Effective December 1, 2022 through December 1, 2023

Insurance representative Kathy Julisic explained the Village secured a lower renewal rate due to starting the process early. The proposed renewal premium had less than a five (5) percent increase. Ms. Jurisic was able to use a different company for cyber security insurance and keep the rate similar to the current rate due to the Village's performance and training protocals. The liability insurance coverage increased from \$7 million to \$10 million due to the environment.

Trustee Hollander asked if the personnel manual would be reviewed. Mr. Huvard explained the insurance company put the Village in touch with a legal company with whom the Village consulted.

Trustee Jamerson asked why the Village only went out to ICRMT. Ms. Jurisic explained the early renewal rate received was so favorable that she wanted to lock in that rate.

Trustee Haber questioned why the equipment values decreased. Ms. Jurisic explained some of the equipment installed in the vehicles was moved to the auto coverage policy.

Trustee Ford noted the Village is getting better cyber security coverage. Trustee Jamerson asked about the dependent security loss section. Ms. Jurisic explained that is for business interruption due to a dependent (third party entity) breach that causes business interruption to the Village.

AN ORDINANCE of the Village of Riverwoods, Lake County, Illinois, abating the 2022 Tax Levy for \$342,000 Special Service Area No. 35 Special Tax Bonds, Series 2021, of said Village.

WHEREAS the President and Board of Trustees (the "Board") of the Village of Riverwoods, Lake County, Illinois (the "Village"), does hereby find and determine as follows:

All capitalized terms used but not defined herein shall have the meanings given to such terms in the Bond Ordinance.
- B. Section 9 of the Bond Ordinance sets forth a 2022 Tax Levy for the payment of principal of and interest on the Bonds in the amount of \$20,250.00. The taxes so levied, together with all other Special Taxes are pledged and may be used solely for the purpose of paying the principal of and interest and redemption premium, if any, on the Bonds (the "*Pledged Taxes*").
- C. The Board hereby finds that funds on deposit in the Project Fund are in the approximate amount of \$72,108.37, that all costs of the Project have been paid and that the money remaining on deposit in the Project Fund should be deposited into the Bond Fund, and as a result of such transfer, the Board finds there are now sufficient funds in the Bond Fund to allow for the abatement of the Pledged Taxes in the amount set forth in this Ordinance.
- D. The Village may from time to time abate the levy of Pledged Taxes. The Board finds that, as the Bonds are not subject to optional redemption, the abatement of Pledged Taxes as provided herein will best serve to implement the provisions of the Bond Ordinance.

A. The 2022 Levy in the amount of \$20,250.00 is abated by the amount of \$7,900.00 and thereby reduced to \$12,350.00.

B. The Village Clerk is hereby authorized and directed to file a certified copy of this abatement Ordinance with the County Clerk of The County of Lake (the "County Clerk"); and such filing shall constitute full and proper authority for the County Clerk to abate the 2022 Levy by the sum of \$7,900.00.

### ORDINANCE NO. 22-12-

AN ORDINANCE of the Village of Riverwoods, Lake County, Illinois, abating the 2022 Tax Levy for \$644,000 Special Service Area No. 26 Special Tax Bonds, Series 2013, of said Village.

WHEREAS the President and Board of Trustees (the "Board") of the Village of Riverwoods, Lake County, Illinois (the "Village"), does hereby find and determine as follows:

- A. Pursuant to an ordinance of the Village (the "Bond Ordinance") adopted on the 17th day of September 2013, by the Board, the Village has issued Special Service Area No. 26 Special Tax Bonds, Series 2013, in the original aggregate principal amount of \$644,000 (the "Bonds"). All capitalized terms used but not defined herein shall have the meanings given to such terms in the Bond Ordinance.
- B. Section 9 of the Bond Ordinance sets forth a 2022 Tax Levy for the payment of principal of and interest on the Bonds in the amount of \$83,812.06. The taxes so levied, together with all other Special Taxes are pledged and may be used solely for the purpose of paying the principal of and interest and redemption premium, if any, on the Bonds (the "*Pledged Taxes*").
- C. Pursuant to Ordinance No. 17-12-13, adopted December 5, 2017, the Board found that all costs of the Project had been paid and that the money remaining on deposit in the Project Fund should be deposited into the Bond Fund and authorized a transfer of money into the Bond Fund for such purpose, and as a result of such transfer, the Board finds there are now sufficient funds in the Bond Fund to allow for the abatement of the Pledged Taxes in the amount set forth in this Ordinance.

- D. The Village may from time to time abate the levy of Pledged Taxes. The Board finds that, as the Bonds are not subject to optional redemption, the abatement of Pledged Taxes as provided herein will best serve to implement the provisions of the Bond Ordinance.
- E. The Board intends now to abate \$17,667 of the levy of Pledged Taxes for the year 2022 (the "2022 Levy").

Now, Therefore, Be It Ordained by the President and Board of Trustees of the Village of Riverwoods, Lake County, Illinois, in the exercise of its home rule powers, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that the recitals contained in the preambles to this Ordinance are true, correct and complete and does incorporate them into this Ordinance by this reference.

### Section 2. Abatement Declarations.

- A. The 2022 Levy in the amount of \$83,812.06 is abated by the amount of \$17,667.00 and thereby reduced to \$66,145.06.
- B. The Village Clerk is hereby authorized and directed to file a certified copy of this abatement Ordinance with the County Clerk of The County of Lake (the "County Clerk"); and such filing shall constitute full and proper authority for the County Clerk to abate the 2022 Levy by the sum of \$17,667.00.
- Section 3. County Clerk to Abate. Upon the filing of this abatement Ordinance, the County Clerk as aforesaid shall abate the 2022 Levy by the sum of \$17,667.00.
- Section 4. Severability. If any section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.
  - Section 5. Repeal. All ordinances or parts thereof in conflict herewith be and the same

are hereby repealed, and this Ordinance shall be in full force and effect immediately upon its adoption and approval.

Contract for Play Area in the Flatwoods Heritage Center

### Background:

At the May 19, 2020 meeting of the Board of Trustees, a plan was laid out for the Flatwoods Heritage Center on the property north of the Village Hall. The project was broken out into several parts including a base bid and 7 alternate bids. The base bid and 5 of the 7 alternates were approved by the Board to be built. The two alternates that were deferred were the play area and the fencing along Portwine Road. At that time, the play area budget was \$233,184 and the low bid was \$255,308. The fence budget was \$15,000 and the low bid was \$7,310.

The play area should become a destination for the residents and will thus increase the overall usage of the Flatwoods Heritage Center. While there are some people that use the Center, the lack of something to do beside sit under the shelter has restricted its use. There has been an influx of new residents with children over the last two and a half years and many have asked about a play area.

A committee was formed to investigate the completion of the Flatwoods Heritage Center. There was much discussion regarding how to go about the design of the area and how to engage a contractor. The design, bid, build concept used to create the existing Flatwoods Heritage Center was determined to not be the best method for this type of project. A play area requires a specialized expertise. Our Village Engineer has worked with several companies and highly recommended Team REIL for a design/build approach. Team REIL has been in business for 30 years and has designed and built many play areas and has built the football fields for both Deerfield High School and Loyola Academy. They have acquired the lowest national pricing on the playground equipment. The committee began working with Team REIL and created three alternative play area layouts.

During the recent Halloween Party, attendees were shown the three options and were asked to fill out questionnaires indicating their preferences. Over 100 questionnaires were submitted. A hybrid combination of two of the plans was created by the committee based on the responses we received.

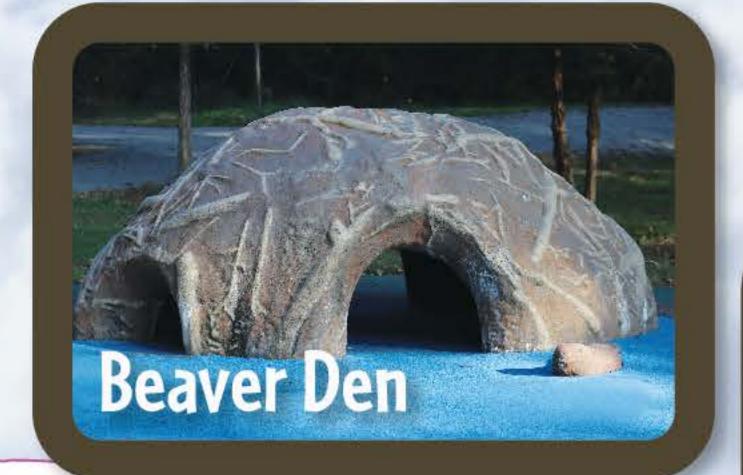

Team REIL priced the new plan, and the result is attached.

The Quotation from Team REIL totals \$290,876.00 and includes \$21,500 in allowances for unforeseen circumstances. The annual maintenance and safety inspection is \$1,000 per year. In order to start this project in May or June, the equipment will have to be ordered by December 31<sup>st</sup>. A price increase for the equipment will also take effect on January 1, 2023. A fence along the east side of the paly area is not included in this proposal but will most likely be necessary.

Recommendation: Approve the proposal with attorney review of the contract.

### 14. NEW BUSINESS

f. Approval of a Position Description for a Finance Analyst

### **Background**

As discussed at the October 11 Board of Trustees meeting, there is a need to staff the Finance area. There were no specific job descriptions for positions within the Finance area. It was determined that our first need is for a full time person to perform the basic functions. This position will support a Finance Director. The search for a Finance Director can be delayed as the consultant has the ability to take on that role. The Board approved the position of Finance Analyst on October 11, but not the description of the position.

There has been a search for a Finance Analyst based upon the draft of the position seen by the Board in October. After further review of the earlier position description, there were revisions, but none changing the basic requirements, skills or experience required of the position. There was one agreed upon candidate with whom we are in discussions. Salary requirements are within the Finance area budget.

Approval of the position description.

The Footage will be available for Agency's designated administrator, listed on the Order Form, and any Authorized End Users to access and download via the Web Interface for thirty (30) days. Authorized End Users will be required to sign up for an account and select a password and username ("User ID"). Flock will also provide Agency with the Documentation to be used in accessing and using the Services. Agency shall undertake reasonable efforts to make all Authorized End Users aware of the provisions of this Agreement as applicable to such Authorized End User's use of the Services and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage) which makes the Services available to Agency and Authorized End Users. Warranties provided by said third party service providers are the agency's sole and exclusive remedy and Flock's sole and exclusive liability with regard to such third-party services, including without limitation hosting the Web Interface. Agency agrees to comply with any acceptable use policies and other terms of any third-party service provider that are provided or otherwise made available to Agency from time to time.

2.5.1 **Flock IP.** The permitted purpose for usage of the Flock Hardware, Agency Hardware, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency ("*Permitted Purpose*"). Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Flock Hardware, Documentation, or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Agency's rights under Sections 2.1, 2.2, 2.3, or 2.4.

Except for Falcon Flex products, which are designed for self-installation, Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.5.2, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Agency or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Agency's direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency's account that have been impacted. For example, in the event of a Service Interruption lasting five (5) continuous days, Agency will receive a credit for five (5) free days at the end of the Term.

### 2.8 Installation Services.

2.8.1 Designated Locations. For installation of Flock Hardware, excluding Falcon Flex products, prior to performing the physical installation of the Flock Hardware, Flock shall advise Agency on the location and positioning of the Flock Hardware for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Flock Hardware ("Designated Location") and collaborate with Agency to design the Deployment Plan confirming the Designated Locations. Flock shall have final discretion on location of Flock Hardware. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency's delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. After installation, any subsequent changes to the Deployment Plan ("Reinstalls") will incur a charge for Flock's thencurrent list price for Reinstalls, as listed in the then-current Reinstall policy (available at https://www.flocksafety.com/reinstall-fee-schedule) and any equipment fees. For clarity, Agency will receive prior notice and provide approval for any such fees. These changes include but are not limited to re-positioning, adjusting of the mounting, re-angling, removing foliage, replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock shall have full discretion on decision to reinstall Flock Hardware.

the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although Flock Hardware is designed to utilize solar power, certain Designated Locations may require a reliable source of 120V or 240V AC power. In the event adequate solar power is not available, Agency is solely responsible for costs associated with providing a reliable source of 120V or 240V AC power to Flock Hardware. Flock will provide solar options to supply power at each Designated Location. If Agency refuses recommended solar options, Agency waives any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar power. Additionally, Agency is solely responsible for (i) any permits or associated costs, and managing the permitting process of installation of cameras or AC power; (ii) any federal, state, or local taxes including property, license, privilege, sales, use, excise, gross receipts, or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Flock Hardware, its use (excluding tax exempt entities), or (iii) any other supplementary cost for services performed in connection with installation of the Flock Hardware, including but not limited to contractor licensing, engineered drawings, rental of specialized equipment, or vehicles, third-party personnel (i.e. Traffic Control Officers, Electricians, State DOT-approved poles, etc., if necessary), such costs to be approved by the Agency ("Agency Installation Obligations"). In the event that a Designated Location for Flock Hardware requires permits, Flock may provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required permits are obtained, Flock will relocate the Flock Hardware from the temporary alternate location to the permitted location at no additional cost. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation. 2.8.3 Flock's Obligations. Installation of Flock Hardware shall be installed in a workmanlike manner in accordance with Flock's standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Following the initial installation of the Flock Hardware and any subsequent Reinstalls or maintenance operations, Flock's obligation to perform installation work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of Flock Hardware for the length of the Term and will receive access to the Footage for a period of seven (7) business days after the initial installation for quality control and provide any necessary maintenance. Labor may be provided by Flock or a third-party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware. Notwithstanding anything to the contrary, Agency understands that Flock will not provide installation services for Falcon Flex products.

2.8.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near

2.8.4 *Ownership of Hardware*. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Agency default on any

payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

- 2.9 **Hazardous Conditions.** Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.
- 2.10 **Support Services.** Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services, or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations ("Monitoring Services"). Flock will use commercially reasonable efforts to respond to requests for support. Flock will provide Agency with reasonable technical and on-site support and maintenance services ("On-Site Services") in-person or by email at <a href="maintenance-support@flocksafety.com">support@flocksafety.com</a>, at no additional cost. Notwithstanding anything to the contrary, Agency is solely responsible for installation of Falcon Flex products. Agency further understands and agrees that Flock will not provide monitoring services or on-site services for Falcon Flex.
- 2.11 **Special Terms.** From time to time, Flock may offer certain special terms related to guarantees, service and support which are indicated in the proposal and on the Order Form and will become part of this Agreement, <u>upon Agency's prior written consent</u> ("*Special Terms*"). In the event a Non-Agency End User grants Agency access to Footage and/or notifications from a Non-Agency End User, Agency will have access to Non-Agency End User Footage and/or notifications until deletion, subject to a thirty (30) day retention policy for all products except Wing Replay, which is subject to a seven (7) day retention policy. Flock may, in their sole discretion, provide access or immediately terminate the No-Fee Term. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine to impose a price per No-Fee Term upon thirty (30) days' notice to Agency. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.5 **Survival.** The following Sections will survive termination: 2.5, 2.6, 3, 4, 5, 6.4, 7.3, 7.4, 8.1, 8.2, 8.3, 8.4, 9.1 and 9.6.

### 7. REMEDY; WARRANTY AND DISCLAIMER

- 7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "Defect"), Agency must notify Flock's technical support as described in Section 2.10 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of remedy for a Defect until after it has inspected and tested the affected Flock Hardware provided that such inspection and test shall occur within a commercially reasonable time, but no longer than seven (7) business days after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Flock Hardware at no additional cost to Agency. Absent a Defect, in the event that Flock Hardware is lost, stolen, or damaged, Agency may request that Flock replace the Flock Hardware at a fee according to the then-current Reinstall policy (https://www.flocksafety.com/reinstall-fee-schedule). Agency shall not be required to replace subsequently lost, damaged or stolen Flock Hardware, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Flock Hardware and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Flock Hardware or Agency Hardware.
- 7.2 **Exclusions.** Flock will not provide the remedy described in Section 7.1 if Agency has misused the Flock Hardware, Agency Hardware, or Service in any manner.
- 7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of

other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

- 7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 9.6.
- 7.5 **Insurance.** Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.
- 7.6 **Force Majeure.** Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-Party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, weather conditions or acts of hackers, internet service providers or any other third Party acts or omissions. Force Majeure includes the novel coronavirus Covid-19 pandemic, and the potential spread of variants, which is ongoing as of the date of the execution of this Agreement.

### 8. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH

ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 9.6.

- 8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.4 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.4 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complementary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this Agreement.
- 8.3 **Responsibility.** Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees.

### 9. INDEMNIFICATION

Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.1, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third Party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.1 or this Agreement.

### 10. MISCELLANEOUS

10.1 **Compliance With Laws.** The Agency agrees to comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any

subpoena request(s). In the event Flock is legally compelled to comply with a judicial order, subpoena, or government mandate, to disclose Agency Data or Agency Generated Data, Flock will provide Agency with notice.

10.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

- 10.3 **Assignment.** This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchaser of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.
- 10.4 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall policy (https://www.flocksafety.com/reinstall-fee-schedule), Deployment Plan(s), and any attached addenda are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail.
- 10.5 **Relationship.** No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever. Flock shall at all times be and act as an independent contractor.
- 10.6 **Governing Law; Venue.** This Agreement shall be governed by the laws of the State in which the Agency is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.
- 10.7 **Publicity.** <u>Upon prior consent from Agency</u>, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.
- 10.8 **Export.** Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in Federal Acquisition Regulation ("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and

according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and

are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is

compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service

that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or

essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR

section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or

disclosure of such commercial software or commercial software documentation by the U.S. Government will be

governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by

the terms of this Agreement.

10.9 **Headings.** The headings are merely for organization and should not be construed as adding meaning to the

Agreement or interpreting the associated sections.

10.10 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and

have the authority to sign on behalf of and bind the Parties they are representing.

10.11 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given

when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day

after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by

certified or registered mail, return receipt requested.

While the majority of traffic is from within the United States, the location of the website user reflects the users' physical location during the time he/she accessed the website. Users can be accessing the page from work, the gym or other areas, especially on their mobile devices. If the website is accessed by someone who is physically near the town's border, it's not uncommon for their location to be picked up by the neighboring towns (i.e. Lincolnshire, Deerfield, Bannockburn, etc.)

This report will be presented again in January 2023 to show traffic comparison to 2022, and then will be published quarterly.

Since the website is still fairly new, this data is still considered fairly "raw," being only a very high level indicator of traffic sources and content searched. It should not be used as a basis for determining content development without reviewing more in-depth reports, which will help eliminate outliers. Quality data takes time to compile and these reports will become more definitive over the course of the next year, as search and content solidifies.
